

Quality and Safety:

At Winn Parish Medical Center, ensuring the quality and safety of the care we provide is our highest priority. To achieve our goal for the provision of safe, effective and efficient medical care, our organization participates in several initiatives including **CMS Inpatient and Outpatient Quality Measures, the Louisiana Hospital Association HRET HIIN Patient Harm Reduction program, Quality Insights QIO Antibiotic Stewardship program and the Louisiana Emergency Response Network Stroke Initiative**. If you have any quality questions or concerns related to your visit, please contact the Quality Manager at 318-648-3207.
